Results

Real Values for Setting 0: [13.0554, -53.0554, 7.25302]

Means of All Distribution Graph Values: 13.892, -57.416, 7.119

STD of Mean Values of Distributions: 0.316, 1.629, 0.045

Mean STD of the Distributions: 0.642, 3.257, 0.680

- Graphs seem to be relative consistency
- Deviation between distribution plots are very minimal → consistent method
