View Subject Knowledge Maps

A Knowledge Map is a list of media related to a subject or place.

1. Go to mandala.shanti.virginia.edu/subjects
   - The Subjects homepage will open

2. Find a subject name
   - Learn how to search in Subjects or browse in Subjects
   - The page for that subject will open in the "Overview" tab

3. Click the media types in the "Overview" sidebar menu
   - Related media types will open

4. Click **Subjects** or **Places** in the "Overview" sidebar menu to explore related Knowledge Maps
   - Related assets Knowledge maps will open

   a. Hover over an asset
      - A tooltip will show a preview of the Knowledge Map
      - This tooltip may take a few seconds to load

   b. Click the **Full Entry** button to go to the asset's Knowledge Map
      - The Knowledge Map will open in a new tab
