Browse Subjects

If you want to browse Subjects without entering a search term, you can click on the search icon anywhere in Mandala. Open the **Subjects** tab in the search panel to see the full subjects tree.

1. Go to https://mandala.shanti.virginia.edu/subjects
2. Click the **search** icon
   - This icon is a magnifying glass in the top right of the page
   - The search window will expand
   - The "Results" tab will be selected automatically
3. Click the **Browse Subjects** tab
   - A list of subjects will appear
4. Click the **+** and **-** signs to expand and collapse subject names
   - More subjects will appear
5. Hover over a subject name to preview the Knowledge Map
   - A tooltip will show the number of media items for the subject
6. Click a subject name from the hierarchy
   - The subject's page will open
