

Browse Places

If you want to browse the Places collection without typing a search, follow the instructions below.

1. Go to mandala.shanti.virginia.edu/places
2. Click the **search** icon
 - This icon is a magnifying glass in the top right of the page
 - The search window will expand
 - The "Results" tab will be selected automatically
3. Click the **Browse Places** tab
 - Note that "Earth" will be expanded automatically; if it's not, click the + sign next to "Earth"
 - A hierarchy of place names will appear
4. Click the + and - signs to expand and collapse place names
5. Hover over a place name to quickly see its Knowledge Map
 - A pop-over window will appear showing the place's related media
6. Click a **place** name from the results
 - The node page for the place will appear
