

# The Interface

While Mandala tools have distinct features, there are three areas common across tools:

- The **Main Menu** button
- The **Explore** pane
- The **Search** button

You can find all of these in the top right corner of any page.

## Main Menu

The **main menu** button is the rightmost icon at the top of the page. It looks like this:

When you click this icon, you have the option to log in, create collections and content, modify your profile, and more. Options will depend on the tool you're using.

## Explore

The **Explore** button is to the left of the Main Menu icon. It looks like this:

When you click this icon, you can switch tools. Learn more at [Access Tools](#).

## Search

This button is below the main menu icon. It looks like this:

This icon lets you search for content within the tool.
