

Open a Text Collection

1. In Texts, click the **Main menu icon**
 - This icon looks like four horizontal stripes in the top right corner
 - A drop-down menu will unfold
2. If you want to view one of your own collections:
 - Click **My Collections**
 - A list of collections will appear
3. If you want to view any collection:
 - Click **All Collections**
 - A list of collections will appear
4. Click on the collection you want to open
 - Collection items and the collection's description will appear
