Search Bibliographies

You can search for citations in all of Mandala Sources by clicking the 🔍 icon on any page.

Here's a detailed guide:

1. Open the homepage at sources.shanti.virginia.edu
2. Click the **magnifying glass** icon on any page
   - The search bar will expand

3. Enter a search term into the text box, then click the **>** icon
   - You'll see a list of search results

4. Click **Advanced** to refine your search
5. Enter text in each field
   - You can filter by publication type, year, title, author, tags, and more

6. Click **Search**
   - You'll see a list of search results

7. To filter your results, click on **Sort By**
   - You'll see a list of sorting options

   a. Click the option you want to use
      - You can sort by author, date, or title

      - The page will refresh to show your sorted results
