Read a Text

You can read texts in the Mandala Texts interface or in PubReader. If you want to see text statistics, like word frequencies, you'll view the text in Voyant. Check out the Get Text Statistics guide for help.

In Mandala Texts

1. Search for a text
   - Learn more at Search Texts

2. Open the text you want to read
   - The text's page will open

3. Go to the **Contents** section on the right
   - The "Contents" tab is selected automatically in purple; if it isn't, click **Contents**
   - A table of contents will appear

4. Click an item in the table of contents
   - The corresponding section will appear in the left column

In PubReader
