

Add a Source

Before you add a source, we suggest you [make a source collection](#) to house it. Once you've made a collection, you can add a source directly from the collection homepage.

1. [Log in](#) to sources.shanti.virginia.edu
2. Click the **Main Menu** icon
3. Click **Add a Source**
 - The source editor will open
4. Enter a title for your source
5. Fill out the remaining information, including publication date
6. Under **Collections**, choose the Mandala Sources collection where you want to add your source
 - Learn more about [making a collection](#) and [seeing your collections](#)
 - If you created your source directly from the collection page, this should be filled automatically
7. Click **Save**
 - Your source will save
