Images in Mandala

Mandala Images lets you create, share, and find galleries of images.

You can catalog images using Subjects, Places, and Terms in Mandala and external controlled vocabularies. You can also associate people with images using Agents.

> ⓘ **Contact Us**
>
> If you have questions about getting started with Mandala or would like to discuss a potential Mandala project, please contact Courtney Floyd, Associate Director of Learning Technologies and Digital Humanities, at courtney.floyd@virginia.edu.
